

**Commission a course on
minor illness for health
visitors from the
national centre of
excellence**

We will travel to a local venue to deliver a one day course to a group of 30 health visitors, to include:

- Book "Minor Illness in the Under Fives"
- Minor illness kit including an axillary thermometer, disposable covers, pen torch, a few tongue depressors, small alcohol hand gel, laminated "NICE traffic lights" card and prescribing aide-memoire
- Copies of the "When Should I Worry" booklet
- Printed handout
- Online access to references and resources
- Course certificate for six hours CPD

Cost: £4,999

Please note – the above price does NOT include hire of venue or catering. It does include the Tutor's travelling expenses and accommodation, if needed (unless the venue is outside the East of England, which would incur an extra charge). NMIC is proud to be independent, and therefore will not accept any sponsorship from the Pharmaceutical Industry for any aspect (including catering) of any Programme.

Please contact Jill (course administrator) on 01582 399 442 or jill.fenwick@nhs.net, for further information.
