Driving:

From J13 of the M1, follow the A421 towards Bedford/Cambridge and exit at Marston Moretaine.

From the A1, follow the A421 towards Milton Keynes and exit at Marston Moretaine. You'll see brown signage for the Forest Centre. At the roundabout, take the exit into Marston Moretaine (Beancroft Road); at the next junction turn left and then almost immediately right (Station Road). Follow the road and after approx. 500m you'll see the road to our entrance on your left (Gold Furlong). Take a right on this road, and you'll be on our driveway. The best satnav postcode to use is MK43 OPS, however as the road layout has recently changed this may take you through the neighbouring housing estate, so keep an eye on the signage!

The Forest Centre opens to the public at 9am; for the course, you should be able to access it from 8.30am. Complimentary hot drinks will be available from 8.40am. If lost, please phone the Forest Centre directly on **01234 767037**.

Important: in the car park, DON'T PAY AND DISPLAY! In the conference room you will find a screen on the wall where you need to enter your registration number every day to avoid paying for parking.

Message from the Forest Centre:

The Forest Centre is a social enterprise, owned and run by the Forest of Marston Vale Trust (registered charity no 1069229), with all profits going into creating new woodlands and green spaces across the Vale. Our visitor centre is powered by solar panels and a wind turbine, and heated by a biomass boiler, making us virtually 100% renewable. Wherever possible, our woodlands are validated by the Woodland Carbon Code. We strive to use local suppliers and reduce our own footprint by recycling everything we can and encouraging our visitors to do the same.

We are a small charity, creating and maintaining the forest and we're very proud of all we've achieved so far. We've planted over 2 million trees and now have 11 sites which are accessible to the public free of charge. Our woodlands are a fabulous resource for their local community but like everything, they cost money to grow and look after, and every event held at the Forest Centre, or purchase made here, contributes directly to the delivery of our vision.

By using the Forest Centre you are making a significant contribution to our work each year. Thank you for your support.
